

## Suet Scrumpy

from the kitchen of Steve Frye

2 c peanut butter  
2 c Chickadee Cheer  
2 c Flour  
2 c Cornmeal

4 c vegetable shortening  
2 c Sunflower Chips  
2 c Quick Rolled Oats  
Extra cornmeal and/or flour

Mix all the ingredients together in a large bowl or bucket. You can microwave the peanut butter and shortening to make it easier to mix. Add extra cornmeal or flour to give the Scrumpy the consistency of cookie dough. You may also add other extras such as raisins, nuts, or oyster shell. Suet Scrumpy works great smeared onto tree bark, a Suet Scrumpy Feeder, or in a traditional feeder.
